[INTRO]

If you know that you have an account and want to apply or are returning to finish an application already started then jump down and click on the login link that applies to you. If you have never had any contact with us before (never attended an

event, requested information, taken a tour) then you are a first time user and need click the appropriate link below and create and account.

If you didn't create an account but you have spoken with a counselor, taken a tour, attended an Admissions event, or requested information, you might already have an account. To check, click on the appropriate User Login link and select "Forgot Your User Name or Password," then enter your email address. You'll be emailed the login information if you do have an account.

First Time Users

Create an account and start your application. It's easy! You'll have a user name and password. (We can remind you later if you forget it.)

[Undergraduates](#) click here to create an account
(use this link if you are a prospective freshman, transfer student, military undergraduate, international undergraduate, or nondegree undergraduate)

[Graduates](#) click here to create an account

Already Have an Account?

If you have a user account just login and pick up where you left off with your application. If you've forgotten your username or password (case sensitive) then click on "Forgot Your User Name or Password," and enter your email address. You'll receive your login information via email.

[Undergraduates](#) click here to login
(use this link if you are a prospective freshman, transfer student, military undergraduate, international undergraduate, or nondegree undergraduate)

[Graduates](#) click here to login

Downloadable Admissions Forms and Documents

The online application is the preferred method of applying to the university. If you can't apply online application forms can be downloaded by [clicking here](#). You'll also be able to download the additional forms and documents applicable to your application category.

Want to Check the Status of Your Application?

To check on your application status, please [click here](#).
